SECTION 10

Your Committee has considered the following item and upon adoption of this report, the recommendation is as follows:

306656      **CLERK OF THE CIRCUIT COURT – TRANSFER OF FUNDS.** Transmitting a Communication, dated April 15, 2010 from Dorothy Brown, Clerk of the Circuit Court:

requesting approval by the Board of Commissioners to transfer funds totaling \$100,000.00 from Account 335-240, Printing and Publishing to Account 335-120, Overtime Compensation for Circuit Court Clerks' overtime compensation.

Reason: Funds are needed to accommodate necessary overtime expenses for court clerks when court proceedings extend beyond regular working hours, as well as for court clerks working the bond courts on weekends. Accumulated comp-time was paid out of the overtime account to employees that retired/resigned during the fiscal year.

This issue was mentioned during the Clerk of the Circuit Court Office Budget Presentation, when questions were raised by one of the Commissioners. In response, the Acting Chief Human Resources Officer explained that the Clerk of the Circuit Court Office was addressing the need to reduce the amount of overtime by changing shifts for court clerks. He also explained that making changes such as these and adjusting the positions must be done in compliance with the Clerk of the Circuit Court Office Collective Bargaining Agreement. In three (3) operational areas, court clerk positions were posted with adjusted work schedules with hours from noon to 8 p.m. establishing work weeks of Tuesday through Saturday and Wednesday through Sunday.

These adjustments were posted for bids in late February and, consistent with the Collective Bargaining Agreement, the jobs should be awarded within the next thirty days. By adjusting work schedules during the February posting and adding more positions for adjustment later in FY 2010, the Clerk of the Circuit Court Office anticipates significant reductions in overtime. Because of the time it takes to implement these types of changes, there remains a need for additional funds for overtime compensation at this time.

In addition, accumulated comp-time was paid out of the overtime account to employees that retired/resigned during the Fiscal Year.

From Account 335-240	Printing and Publishing	<b>Total</b>	<b>\$100,000.00</b>
To Account 335-120	Overtime Compensation	<b>Total</b>	<b>\$100,000.00</b>

1. On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

The Clerk of the Circuit Court Office was aware of the need to address consistent accumulation of overtime by court clerks who are required to remain in court while court calls are pending either during lunch or after regular work hours. Overtime is also accrued on Saturdays and Sundays and holidays by court clerks who are required to work bond court. As a result, additional funding is needed to compensate court clerks for the overtime hours worked.

On March 31, 2010, it became apparent that the receiving account would require an infusion of funds in order to meet current obligations. At that time, the balance in the account was \$6,854.15 and 30 days prior to that the balance in the account was \$56,232.47.

2. How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

Account 240-Printing and Publishing was identified as the source of the transferred funds as the account received reimbursement for the printing costs of Personal Issue Tickets (Traffic Citation Tickets) for the City of Chicago Police and the various Suburban Police Agencies.

3. Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from Account 335-240.

None.

4. If the answer to the above question is "none" then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

Printing costs for Personal Issue Tickets are now being appropriately charged to the using agencies (City of Chicago Police and Suburban Police Agencies), hence, the availability of funds for transfer.
